

Ethically Firm. Environmentally Strong

22nd February 2021

To,

The Managing Trustee,
Aan Charitable Trust
M/S Chandra Brothers
Ramnagar Road
Kashipur, US Nagar
Uttarakhand, 244713

Subject : Letter of appreciation for the Awareness drive conducted for reducing the usage of single-use plastic/ disposable polythene

Given the recent blanket ban on Plastic Bags by the Uttarakhand Government on production, distribution and usage of Plastic Bags, the event organized at Naini Paper Mill by Aan Charitable Trust proved to be a huge success. Co-founder Aaditya Chandra Gupta and President Anurag Gupta conducted an awareness campaign to inform workers about the environmental damage caused by plastic Bags and encouraged them to use re-useable cloth bags. To this purpose, they distributed 75 sturdy re-useable Srijan Denim bags which are made from recycled jeans amongst the workers of Naini Paper Mills.

As a leading organization for reducing environmental damage, I am writing this letter on behalf of the entire eco-conscious Naini Paper Mills family to appreciate the effort put forward by Aan Charitable Trust to create a sustainable community in Kashipur. This was an inspiring and productive event, and we thank them for taking for organizing this.

Wishing Aan Charitable Trust the best for all future projects and endeavours.

Best Regards,

Mayank Agarwal
(Executive Director)
Naini Paper Mills
