

Letter of Appreciation

Re: Reference for Aaditya Chandra Gupta, Founder Team Member of AAN Charitable Trust, Kashipur (US Nagar District, Uttarakhand)

This is to Certify that Ms Namita Gupta, Managing Trustee, AAN Charitable Trust (A non-profit Organization) Master Aaditya Chandra Gupta and their volunteer team have played an exemplary role in supporting the district administration in their COVID relief efforts to help disseminate the personal hygiene etiquette amongst the vulnerable sections of the society.

It is my pleasure to strongly recommend Aaditya Chandra Gupta and his team for working tirelessly in these extraordinary times, committed to health and well being of the marginalized people.

AAN team came up with innovative approach and ways of doing things differently. They collaborated with the District education department to address the issues of education loss amongst foundational phase children of under privileged families & enhance hygiene and health practices for girls and women of low income households. We are truly inspired by your personal commitment to making a difference in meaningful and much appreciated outreach efforts.

I, Sub Divisional Magistrate on behalf of the Kashipur city express our gratitude for distributing Dignity Kits (Menstrual Hygiene Kits), sanitizers, personal hygiene kits and organizing various awareness workshops to help make our district Corona virus free.

I wish you good luck and success in all your future endeavours.

Sincerely,

Gaurav Kumar Singhal

Sub- Divisional Magistrate

Kashipur, Udham Singh Nagar
