### Letter of Appreciation

This is to certify that Mrs. Namita Gupta, Co-Founder and Managing Trustee of Aan Charitable Trust, Kashipur, Udham Singh Nagar has been engaged in various skilling and community-based awareness workshops associated with Child and women safety since 2017.

Her Trust has organized various 'Good Touch and Bad Touch' workshops for the Primary government school children sensitizing them about safe and unsafe touch. During Covid-19 pandemic they distributed approx. 5000 Dignity Kits (menstrual Hygiene kits) under their campaign "Prioritizing menstrual hygiene in Udham Singh Nagar District" amongst adolescents girls and undeserved community women. Their 'No Shame in Menstruation' & 'Periods don't stop for Pandemic', 'Period Lesson' and 'Donate a Pad' were appreciable campaigns.

Mrs. Gupta has also actively played a major role in awareness programs based on menstrual taboos in India. Her efforts to sensitize young children about safe and unsafe touch has played important role in reducing POCSO cases in our area.

Mrs. Gupta is the reason today that our community has started to humanize this natural phase and break the walls of silence surrounding it.

Her proficiency in this area is commendable. We have fond her to be self-starter who is motivated, duty bound and highly committed professional with strong conceptual knowledge of the concerned subjects.

We wish her luck and success in all her future endeavors.
