Letter Of Appreciation

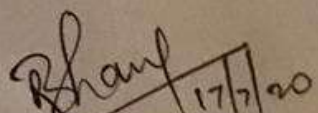

This is to certify that Aditya Chandra Gupta, founder team member of AAN Charitable Trust, Kashipur. Mrs Namita Gupta, Managing Trustee AAN Charitable Trust and their volunteer team members have played an important role in supporting the district administration in their COVID relief efforts amongst the vulnerable sections of society. It is my pleasure to strongly recommend Aditya Chandra Gupta and his team for working tirelessly in these extraordinary times committed to health and well being of the marginalized people.

In response to the COVID- 19 outbreak, AAN team launched its emergency response efforts, acting proactively to respond to urgent needs of the marginalized communities of Kashipur US Nagar district of Utrkhand. They distributed free ration kits, face masks, sanitizers, personal hygiene kits (menstrual hygiene kits), spreading awareness on the urgent need to focus on protocols of social distancing, washing hands and wearing masks to stop the spread of the disease. They envisioned initiatives "**Keep Children Reading**" and "**No shame in menstruation**" during the COVID-19 crisis. Both the programs address the issues of education loss amongst children of under privileged families and enhance hygiene and health practices for girls and women of low income households.

I, Additional Superintendent of Police on behalf of the Kashipur city express our gratitude to AAN Charitable Trust and its volunteer team members for partnering with us and helping make our district Corona virus free.

I wish Aaditya and his team success and good luck in all their future endeavours.

Best wishes,

Rajesh Kumar Bhatt,
Addl. S.P. Kashipur,
Udham Singh Nagar.
