

Project Samvedna Progress Report

A Covid Relief Initiative

By The Prefectorial Body – Class of 2022

Welham Boys' School

In association with

AAN Charitable Trust

About us

▶ **Welham Boys' School, Dehradun**

From modest beginnings as a preparatory school established by Ms. H. S. Oliphant in 1937, Welham Boys' has grown to become an established residential school located in Dehradun. Over the last 83 years, the school has groomed generations of boys for roles of responsibility and leadership. A few of our notable alumni are former Prime Minister Rajiv Gandhi, Mansur Ali Khan of Pataudi, Mani Shankar Aiyar, Capt Amarinder Singh of Patiala, Shaad Ali to name a few.

▶ **AAN Charitable Trust, Kashipur**

AAN Charitable Trust is an emerging non-profit organization, conceptualized on a single thought that 'a small gesture we make makes a big difference'. AAN is a Social Entrepreneurship with no political or religious background. Aan meaning 'dignity' in Hindi is a multi-faceted organization, working towards sustainable development goals (SDGs) particularly good health and well-being, quality education, gender equality, and sustainable cities and communities.

Our Mission

These are tough times for the hill districts of Uttarakhand. The second wave of Covid-19 has made its way deeper into the villages of Uttarakhand. Welham Boys' School along with AAN Charitable Trust, Kashipur under its philanthropic initiative 'Project SAMVEDNA' is trying to mobilize resources to fill crucial gaps in the hilly districts of Uttarakhand.

The duty befalls on us(both the institutions) to foresee the problems of these districts and aid them as the districts are reasonably close in proximity to both the institutions. Thus, making it convenient for us to help heal the hills.

Through this campaign, we aim to provide PPE kits, oximeters, gloves, surgical masks, thermometers, disinfectants, Covid medicine kits, dry ration kits, hygiene kits to district hospitals, panchayats, shelter homes & other institutions in the hill districts of Uttarakhand, free of cost.

Plan of Action

With the sudden rise in Covid-19 cases, the nine hill districts of Uttarakhand were left distraught as the cases doubled over the past sixty days, Pauri being the worst affected of all; Between April 1 and May 13, the district's tally shot up to 12970 cases and 200 deaths. The situation in Uttarkashi is no different. Uttarakhand features among the eight states red-flagged by the centre where the cases are increasing rapidly in rural areas. With the funds raised to date, Under Project Samvedna we are sending 150 oximeters, 300 digital thermometers, 150 PPE Kits, 225 steam inhalers, 15 Nebulisers, 60 litres of sanitiser, 600 litres of Disinfectant, 9000 surgical 3ply masks, 750 Dignity kits (menstrual hygiene kits), 1500 strips each of Paracetamol, Ivermectin, Montair, Vitamin D sachet, B-complex with zinc, 600 strips each of Azithromycin and Doxycycline and Budecort to the District administration of Pauri, Tehri Garhwal and Uttarkashi to fill in the crucial gaps and contain the number of rising cases.

After catering to the initial districts, we aim to expand our range to the other districts which are comparatively less affected than those mentioned above. Although, the quantity of relief material we will supply is solely dependent on the funds we'll be able to raise after tending to the aforementioned districts.

Progress

Tehri Garwhal: With the funds raised to date, Under Project Samvedna we are sending 50 oximeters, 100 digital thermometers, 50 PPE Kits, 75 steam inhalers, 5 Nebulisers, 20 litres of sanitiser, 200 litres of Disinfectant, 3000 surgical 3ply masks, 250 Dignity kits (menstrual hygiene kits), 500 strips each of Paracetamol, Ivermectin, Montair, Vitamin D sachet, B-complex with zinc, 200 strips each of Azithromycin and Doxycycline and Budecort.

Equipment	Quantity
Thermometers (digital)	100
Oximeters	50
PPE kits	50
Steam Inhalers	75
Nebulizers + Masks	5
Sanitisers (200ml)	100bottles
Disinfectors (Sodium Hypo chloride)- 1 Drum	200litre
Surgical Masks 3ply	3000
Dignity Kit (Hygiene Kits)	250

Medicine	Quantity(pack)
Paracetamol	100(10tabpack)
Ivermctin	280(2tabpack)
Montair	50(10tabpack)
Azithromycin	68(3tabpack)
Doxy	20(10tabpack)
Vitamin D	500 sachets
Vitamin C	17(10tabpack)
Livolin (Cipla)	60(5ampules pack)

Pauri Garwhal: With the funds raised to date, Under Project Samvedna we are sending 50 oximeters, 100 digital thermometers, 50 PPE Kits, 75 steam inhalers, 5 Nebulisers, 20 litres of sanitiser, 200 litres of Disinfectant, 3000 surgical 3ply masks, 250 Dignity kits(menstrual hygiene kits), 500 strips each of Paracetamol, Ivermectin, Montair, VitaminD sachet, B-complex with zinc, 200 strips each of Azithromycin and Doxycycline and Budecort.

Vitamin C	17(10tabpack)
Livolin (Cipla)	60(5ampules pack)

Impact

Coronavirus shutdowns all over India has put the country into crisis-mode, prompting a massive rescue spending in an effort to cushion the blow by the second wave of Covid-19 in India. Uttarakhand, one of the most adversely affected states, needs immediate medical assistance and in particular the hilly districts, because of their remote location.

Although, Project Samvedna is a relatively small scale fundraiser and initially focuses on the worst affected districts; Gradually, we intend to expand our scope and cater to as many districts possible.

However small the contribution, we believe that through this humble assistance we will be able to support the district administration in helping the patients in home isolation.
